Business Capability Map

Unified Funeral Services Management Platform

Strategic Capabilities

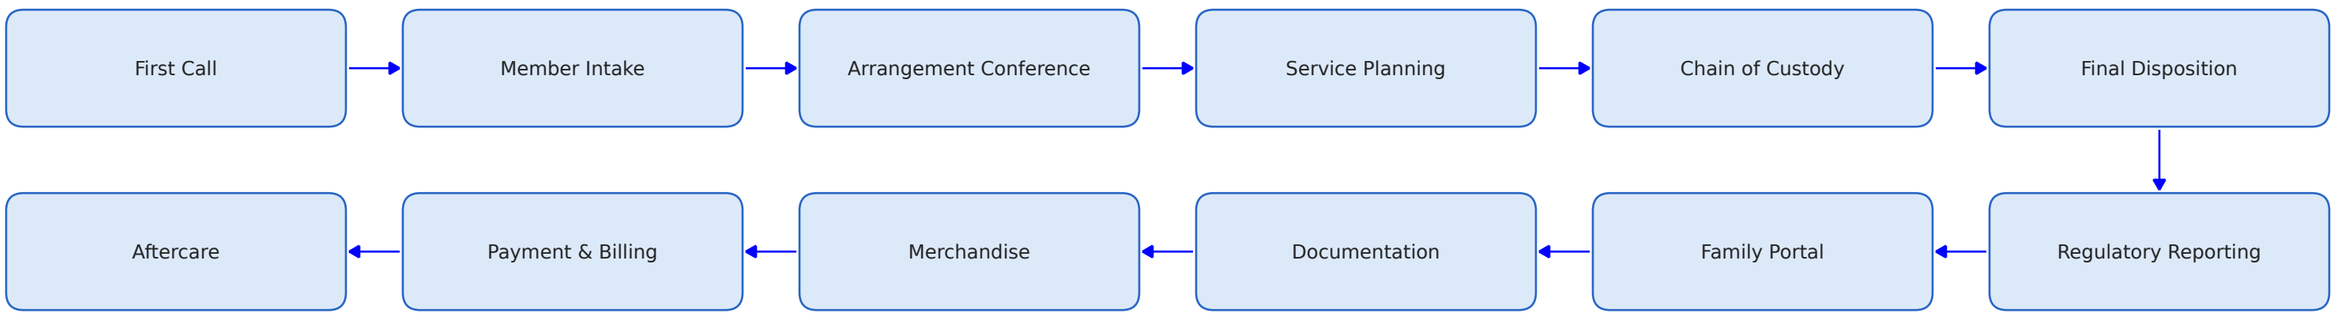

Global Market Expansion
- Multi-jurisdiction
- Cultural adaptation
- Regulatory compliance

Operational Excellence & CMMI L5
- Continuous process improvement
- Quantitative management

Customer Experience Excellence
- 24/7 family support
- Transparency
- Compassionate design

Core Operational Capabilities

Case Lifecycle Management

Resource Management

- Staff & Task Mgmt
- Fleet & Equipment
- Inventory & Merchandise
- Facilities & Locations

Customer Experience Capabilities

Family Engagement
- Portal access
- Status tracking
- Document upload
- Grief resources

AI-Powered Assistance
- Obituary generation
- Document scanning
- 24/7 chatbot
- Multilingual support

Self-Service
- Online payments
- Service selection
- Merchandise browsing
- Appointment booking

Data & Analytics Capabilities

Data Governance FSD-17	Data Quality FSD-16	Analytics Platform FSD-21	KPI Framework FSD-22	Visitor Analytics FSD-19
Data Lifecycle FSD-14	Metadata & Ontology FSD-18	Data Observability FSD-20	Success Metrics FSD-11	Data Ingestion FSD-15

Enabling Capabilities

Security & Compliance
- RBAC (FSD-12)
- Audit Trail (FSD-27)
- Encryption (FSD-28)
- Multi-Jurisdiction Compliance (FSD-23)

Integration & Interoperability
- Third-Party Hub (FSD-25)
- External Data Interface (FSD-31)

CMMI Level 5 Process Excellence
- Continuous Improvement (FSD-29)
- Quantitative PM (FSD-30)
